

NETBOX Move

Built-in Socket
NETBOX Move

More connections with a visually appealing design in the smallest of spaces - the slim **NETBOX Move** always offers power connections within reach.

The 2-5 module spaces can be configured entirely according to your requirements.

Whether in the kitchen or in the office - with the practical pull-in & pull-out mechanism, the **NETBOX Move** can be pulled out quickly and easily with a light press. This way you can reach your connections effortlessly.
