Flexi Abox 1M, 9-21 mm, 6 stub	EKO07409

Dear Customer,

ELKO AB and its affiliates (ELKO AS) have undertaken since 2008 to comply strictly with the Reach regulation N°1907/2006 for the declaration of Substances of Very High Concern (hereafter referred to as SVHC), authorization (Annex XIV) and restriction (Annex XVII).

As per our commitment under article 33 of the said regulation, you will find attached here below information, to the best of our knowledge and as of the date of publication of this information, regarding the presence of SVHC in ELKO products.

This information will evolve over time in function of the improved knowledge resulting from both additional information provided by our suppliers and our own investigations.

Moreover, ELKO has taken into account the judgement of the EU Court of Justice of 10 September 2015

in case C-106/14 and is currently investigating what needs to be done to implement this judgement as soon as possible.

In accordance with its environmental strategy, ELKO and its affiliates have decided to apply REACH regulation on a worldwide basis.

In accordance with the Environment policy of our Company, we continuously work towards products and services which reduce the impact to the environment or on human health when used for their intended purpose and in conditions stated in the documentation provided by ELKO. With this objective, ELKO willingness is to substitute as soon as possible substances of concern with a specific focus on REACH Annex XIV replacement before their sunset date.

No SVHC is declared above the threshold for the below commercial references
