Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change and if a change occurs which affects compliance then this Statement will be updated. CommScope's information on SVHC's in articles is currently based on the European Chemicals Agency (ECHA) 'Guidance on requirements for substances in articles'. The REACH SVHC declaration statement is related to the substances on the most recent Candidate list. If this statement reports REACH Candidate List substance present in an article > 0.1%, unless specified otherwise, these substances do not pose any risk if the article is used as intended (including disposal). Additional information is not necessary to allow safe use of the article.
