

Absence of PFAS (per- and polyfluorinated substances)

Declaration Date: 4/12/24

This letter is to confirm that the product referenced below have been evaluated against PFAS.

We do not add any per- and polyfluorinated substances to our product below. Additionally, to the best of our knowledge and based on the information received from our raw material suppliers, there are no PFAS present in the raw material that we buy.

Product Number: SR1

Product Name: Joint compound

Ensto has taken and continue to take commercially reasonable steps to provide representative and accurate information concerning the application of PFAS on Ensto's products. Ensto relies on the information from 3rd parties, including suppliers and may not have conducted destructive testing or chemical analysis on incoming materials and chemicals. Ensto's standard warranty and limitation of liability provisions of Ensto's Standard Terms and Conditions apply to the representations herein unless otherwise provided by a written contract or other agreement signed by the parties.
